No 08

Dear Parents and Carers,

A couple of messages to pass on before we break for the Christmas holiday:

BUCCOLAM (Midazolam) Pre-filled Plastic Syringes - We have been advised there is a problem with some syringes, in that the translucent (white) tip-cap has remained on the syringe after the red cap has been pulled off. If this happens, the translucent tip-cap will be need to be removed manually before medication can be given. Please carefully check any syringes you use at home. Thank you.

DISCplus Newsletter - <https://virg.in/DISCplusWinter17>

Bidwell Brook Christmas Bazaar - We have raised a wonderful £400 from the event with money still coming in. We would like to thank you very much if you were able to come along and support us. The students had a great time making and selling their wares.

We look forward to welcoming the pupils back to school on Wednesday 3rd January 2018

**Dates
2018**

- Tuesday 2nd January - Non pupil day
- Wednesday 3rd January - Pupils Return
- Wednesday 17th January - Parents Evening
