MESSAGES FROM JACQUI WARNE

As this is the final Family Newsletter of this academic year, I would like to thank everyone for their continued support of Bidwell Brook School.

Yet again, it has been a busy year! Late in the Autumn Term, we received a visit from Ofsted Inspectors who were able to clearly identify Bidwell Brook is a “Good” school that has made significant progress since our last Ofsted three years ago. We were able to demonstrate good progress in pupil learning and development, and look forward to continuing to build on this next year. From September, Bidwell Brook School will officially be using a new assessment system called “Evidence for Learning” in classes and from January 2019, we will be rolling out this programme to all our families. Exciting times ahead!

A couple of weeks ago, Bidwell Brook held its annual Summer Ball - the students looked amazing and a great night was had by all. Thank you to Amalia and the team for organising this wonderful event. Today, we are saying goodbye to our leavers who are moving on to pastures new. It has been a pleasure to watch these students mature and grow during their time with us, and on behalf of all the staff, we wish them good luck in the future.

Monday 3rd, Tuesday 4th and Wednesday 5th September 2018 are staff training days. We look forward to welcoming the pupils back to Bidwell Brook School on Thursday 6th September 2018.
