

Key Stage 2 Class News Spring 2024

Things to note for your class

It is always useful to have a spare set of named clothes in school, just in case.

If your child has been sent home recently wearing spare clothes from school, please could these be returned? We seem to be low in stock of clothes, shoes and coats. Thank you.

Please send in a healthy snack for your child each day - preferably a piece of fruit or veg.

We would like, where possible to have named wellies and waterproofs to stay in school to allow us to maximise our opportunities to learn outside of the classroom.

Thank you so much
reference all the above!

Topic this Term

In Key Stage 2, our latest topic is:

“What is a home made of?”

Our class text is “Home is...” by Hannah Barnaby.

We are learning, adapting and rewriting this to create our own stories. We are also reading for pleasure each day with a focus on poetry.

In History, we are looking at homes from around the world and in Science, we are exploring materials, including building materials.

In RE, we are learning about Chinese New Year, with a focus on 2024 being the Year of the Dragon.

In Maths, we have been focussing on addition and subtraction but are now moving on to measure.

In PE, we are continuing with our weekly swimming sessions and also focussing on dance.
