

How to join a Reviews meeting using Microsoft Teams (Android & iOS Mobile Devices and tablets)

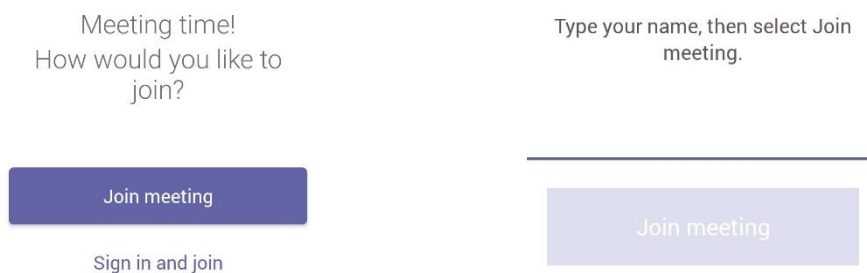

Unfortunately, Microsoft Teams in a web browser is not supported on mobile devices. In order to join a meeting you will need to install the Microsoft Teams app: you can download it by clicking on the link that matches your app store below:

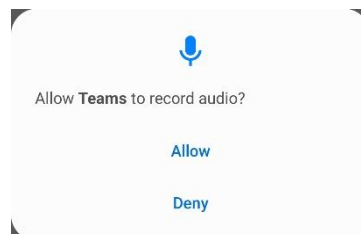

Joining a Meeting:

You will receive an email from us with the time and date of your meeting.

1. At the time of your meeting, click or tap on the **Join Meeting** link in the email or calendar entry. If you haven't yet downloaded the app, it will display **GET TEAMS** instead.
2. A new page will open and prompt you to download the app, or **Join meeting**. Click or tap on the Join meeting button.
3. When Teams has opened, tap on **Join meeting**.

4. If this is your first time using Teams, you will need to give permission to record audio. Tap on **Allow**.

5. Teams will then open the meeting screen. Click **Join Now**.

Hardware requirements for Microsoft Teams can be found in the link below
