The Institute
Yonder Street
Ottery St Mary
EX11 1HD

01404 600013

Please come and visit us - **EVERYONE IS WELCOME.**

We are **not** a Food Bank. Our volunteers collect food from supermarkets in the evenings and we receive food deliveries from various other associates.

Instead of good quality food going to landfill, it comes to us.

We want to encourage as many people as possible to get in the habit of visiting us and picking up **free food** as and when they require it.

You do not need to bring any identification, no nothing....Just yourself and a bag.

Check us out on Facebook - Book your 10 minute slot and turn up. Make sure you like and follow our page and then, you will be kept up to date with any special deliveries. 😊
