

Cygnet – Parent autism awareness programme invite (Summer 2021)

We are delighted to continue our offer of the Cygnet programme online.

The programme is for parents/carers of Devon school children aged between 7 and 18 pre or post diagnosis. We are excited to announce that we have negotiated and agreed access for families of CYP who are currently on the autism assessment pathway, in addition to families of CYP who have received an autism diagnosis.

So here at Babcock LDP as licensed trainers we will be offering access to this programme during this Summer Term period, as hosting our usual parent autism awareness programme is not physically possible at this time due to CV19 restrictions.

Is this course for me?

During and after a diagnosis parents and carers can have many questions about autism and may feel isolated in managing their child's needs.

Children's needs also change over time, and information and advice received when a child is younger may need to be updated to be relevant for the child/young person today.

Attending the Cygnet programme gives parents and carers an opportunity to develop their understanding of autism and look at practical solutions to managing social communication and behaviour difficulties.

6 weekly sessions (approx. 2hrs each) related to the following topic/themes:

| No. | Topic | Release date |
|-----|-------------------------|---------------|
| 1 | Introduction | Mon 19 July |
| 2 | Autism overview | Mon 26 July |
| 3 | Sensory | Mon 2 August |
| 4 | Communication | Mon 9 August |
| 5 | Understanding behaviour | Mon 16 August |
| 6 | Supporting behaviour | Mon 23 August |

We (Babcock LDP) will send a web link to your email each week (Monday a.m) to access the relevant weekly topic for completion at a time that best suits you. You will need an email address and the internet to access this programme.

The programme is purely in an online format (not a webinar or live presentation).

We will invite and respond to questions related to training topics/themes following each week's topic. Posting on our Website, responses to the most commonly asked questions and additionally signposting to our already established and developing resources and themes.

How do I accept and access the programme?

- Simply email LDP-LearnerSupport@babcockinternational.com to indicate you would like to accept the programme access offer **(using the same email you wish weekly web link sending to)**. **You will be asked to complete a Reply Slip to confirm details.**
- On Mon 19th July you will receive the 1st weeks' web link from us
- Feel free to share this email with other families you know who would also welcome access. They will then also receive full access to the programme through us.

Once engaged in the programme we will maintain contact on a weekly basis to invite any questions you may have related to programme topics and signpost you to additional resources and themes to support your learning.

This online access may be limited to the CV19 period only, so we would highly recommend access and completion if the programme is right for you? The main benefit of online access is the ability to access on any day and time that fits with your own family life.
