## TO ALL FAMILIES ACROSS THE LEARN TO LIVE FEDERATION

Dear Parents & Carers,

On behalf of the Governing Body, I am writing to advise you of the outcome of our interview process for the role of permanent Executive Head of the Learn to Live Federation. From the field of applications received, the Governors shortlisted two candidates to take forward to final interview last week.

Following the rigorous interview process which was overseen by Simon Bissett, the Strategic Lead for Babcock LDP, I am delighted to confirm the successful candidate and our confirmed Executive Head of the Learn to Live Federation going forward is Nikki Burroughs.

Nikki clearly demonstrated her ability to be able to strategically lead the Federation in our ever changing educational landscape, whilst still retaining our ethos and values. Her person-centred approach and desire to ensure all our pupils, families and staff “will be the best that they can be” was very evident and we are delighted Nikki has accepted this role.

It has certainly not been the easiest starts to an academic year for a new Head, but Nikki has shown excellent leadership qualities since September 2021 and we are pleased she is continuing in this substantive role.

I am sure you will join me in congratulating Nikki on her appointment, and the Governing Body look forward to seeing the continued progress of our pupils in their education at our wonderful schools.

Yours faithfully
