8th June 2022

Dear Parents & Carers,

Careers & Enterprise Programme

We have recently updated our Careers & Enterprise Programme.

Our programme evidences our continued commitment to providing the appropriate teaching and learning activities and experiences to enable pupils to make well-informed decisions and successful transitions in life and work. We support pupils to prepare for their preferred transitional pathway whether that is to continue with further education, employment, training or living independently. We have a person-centred approach to pupil outcomes through our EHCP Annual Reviews process, where we work with you to shape clear and ambitious targets for pupils to prepare for their next steps.

I have attached a pupil-friendly version of our Careers & Enterprise Programme to summarise the key points. Should you wish to learn more about our programme, more information is available on both of our school websites:

www.bidwellbrook.devon.sch.uk/careers-education-programme

www.ellentinkham.devon.sch.uk/careers-education-programme

We are pleased to share that we have recently launched a Careers Hub at both of our school sites which provides pupil, parent carers and staff with a wealth of resources to support planning for the future. You can find pictures of our Careers Hub on our Facebook page.

Please do keep an eye on our social media platforms to stay up to date with all the careers and enterprise developments.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Shane Baker".

Shane Baker
Deputy Head Teacher

Attc.
