

FAMILY NEWSLETTER

2ND OCTOBER 2023

Despite it being an interesting start to the new year with lots of heavy rain and some flooding at Bidwell Brook, it has been an absolute pleasure to meet all our new students who joined us in September and to see them all settling in over the term, getting used to new routines, new people and embracing new experiences. The weather has not dampened spirits and it has been wonderful to see our young people getting out and about participating in a range of activities including work experience and outdoor education.

Across the Federation, sessions such as swimming, climbing and tennis have restarted. At Ellen Tinkham College, our KS4 students enjoyed attending an 'Options' event recently and at Ellen Tinkham School, badminton coaching is back up and running for new groups of children. Some children are looking forward to the Forrest School Festival planned as part of the Dartmoor School's Partnership. At Bidwell Brook, Sixth Form students went to a Careers Fair at Plymouth Argyle called 'Launchpad Live' which they enjoyed. Feedback from students included: *'It was good trying a new experience.'* *'I was able to manage my anxiety levels and cope in a busy environment.'* *'I learnt I could do health and social care in Plymouth City College.'*

As a Federation this year, we continue to try to raise monies to enhance the educational experience we are able to provide our children and young people. We are so grateful for all the work both the BB and ET PTFA's do to help with this. Their support has such a significant impact and if it weren't for our PTFA events such as the Christmas Bazaar, then gifts for the children at Christmas and additional trips in the Summer would not happen. They even paid for all our students to receive an Easter Treat!

However, PTFAs are not all about raising money. We often look to our PTFA for parental involvement in school activities and decision-making processes such as supporting us with staff interviews and keeping channels of communication between parents, teachers and the wider school community open. Effective communication leads to better understanding, collaboration, and co-operation among all stakeholders, creating a more cohesive and informed school environment.

And of course, there is also an important social element to them! Who says the PTFA cannot meet in a café or arrange evening social events for families?! Being a member of the PTFA is great for generating a sense of camaraderie and we are always on the lookout for more support. It is really important to us that our schools are warm and welcoming community hubs so please do come along and join us whenever you can.

CONTENTS INCLUDE ...

Happy Families, Happy Futures Devon -

Devon County Council are offering FREE virtual or face-to-face 'Reducing Parental Conflict' Programmes to support parents improve the quality of their interparental relationship.

The programme will help develop positive communications, manage emotions, and create a better environment for children to thrive.

Family Transitions Triple P - Advice and guidance to support co-parenting and to deflect the pressure of divorce or separation away from children.

Within My Reach - Advice and guidance for couples who are together; to help parents apply new skills to their relationship.

To find out more including how to participate in a programme, please visit the Devon Safeguarding Children Partnership website using this link: [Reducing Parental Conflict](#)

NEW EVENT FOR FAMILIES!!!

It is our absolute pleasure to invite parents, carers and grandparents to class-based family events.

Across the school year, we will be inviting families to join either their Class Teacher or a key member of staff to a Class Coffee Morning at Pizzalogica at Meadowbrook. Classes will be invited on an individual basis, so families can meet, get to know each other and have a chat.

The list of dates for each class is overleaf. If you didn't know, Pizzalogica is located in Meadowbrook which is the large building within the school car park. As part of their work experience, we are hoping for our older students to prep and serve the drinks so bring your pennies along! The Class Coffee Morning will run from 10.30 am. We hope you can join us at Meadowbrook!

DATES FOR CLASS COFFEE MORNINGS
AT MEADOWBROOK
FROM 10.30 AM

Ladybirds - Wednesday 11th October

Dragonflies - Wednesday 18th October

Yellow - Wednesday 1st November

Purple - Wednesday 8th November

Orange - Wednesday 15th November

Pink - Wednesday 22nd November

Green - Wednesday 29th November

LS1 - Wednesday 10th January

LS2 - Wednesday 17th January

LS3 - Wednesday 24th January

S1 - Wednesday 31st January

S2 - Wednesday 7th February

S3 - Wednesday 21st February

S4 - Wednesday 28th February

Sixth Form 1 - Wednesday 6th March

Sixth Form 2 - Wednesday 13th March

Family & Children's Support Lead - At the beginning of term, we said goodbye to Ellie Coomber-Moore who, for the last year, has been leading our Annual Reviews supported by Liza. Ellie has decided to go travelling - Good luck Ellie!

Her replacement will be Emma Scanlon who is re-joining the Bidwell Brook team. Emma knows quite a few of our pupils already and previously helped facilitate the Annual Reviews so is very familiar with EHCPs and the Hub. We look forward to seeing Emma again very soon.

“How to Support Your Child's Reading” Family Session - Shelby Main, Class Teacher, is running this session for all BB families. It is open to anyone who would like to support a child's reading at home. If you are interested in attending, please let the School Office know. The session is running on Wednesday 8th November in the Loft at BB, from 1.30 pm - 2.30 pm. We really hope you can join us!

Face Family Advice - This organisation regularly run courses for families. Some sessions incur a charge, others are free. facefamilyadvice.co.uk Their newsletter is also attached.

The Hollow Lane Club

The Hollow Lane Saturday Club - We are really pleased to let you know that we have agreed two trial dates for restarting the Saturday Club at Bidwell Brook School.

The dates are 11th November and 2nd December and a letter is attached giving further details. The sessions will be managed by Holly Parker-Bull, a current member of staff at BB.

If you would like any further details or to reserve a place, please email admin@hollowlane.org.uk by Friday, 6th October.

Monday After School Club - The Hollow Lane Monday After School Club is also running this term. If you are interested in having a place, please contact Deb Ward via email admin@hollowlane.org.uk for availability and queries.

Community Fridges - These are popping up around Devon to helping ensure that surplus food, mostly from shops and food businesses, is finding a home quickly, rather than be wasted. There are 25 community fridges in Devon, collectively redistributing an estimated 150 tonnes of surplus food, worth almost £500,000, each year.

[Here's a map of where they are.](#)

The food in the fridges is free for people to take and it's collected primarily from businesses. It may have past its 'best before' date, but food in the fridges is before its 'use by' date. Some community fridges take contributions from households as well, such as home-grown gluts, but always check with your local community fridge volunteer as to what they can and can't take, before dropping anything off.

Data Collection Pack - If you haven't already, you will soon receive a copy of your Data Collection pack. This pack contains a covering letter, a copy of the current data we hold for you on SIMs including permissions, a new South West Norse Dietary Requirements form and our current Term Dates. Please review/complete the data and information and return the pack to us asap. Thank you.

Win 1 of 40 playground boards - Wigit is running a competition for settings to win one of 40 playground communication boards. We're encouraging both our school communities to take part in this competition - staff, parents & carers.

We need to tell Wigit how using symbol communication has made a difference to us and those we support. For the most inspiring stories, Wigit will donate 1 of 40 symbol playground boards to a school or organisation of their choice. The lucky winners will be announced on World Kindness Day (Monday 13th of November).

👉 To enter, click [here](#). Thank you.

The Big Ambition - The Children's Commissioner for England, Dame Rachel de Souza, has launched The Big Ambition, a national survey of children and young people across England.

The Big Ambition aims to hear from children across England on what they think is important! In the lead up to the next General Election, the Children's Commissioner wants to take children's thoughts, opinions and ideas to decision-makers, to make sure that the Government hears young people's voices on what they think needs to be done to make children's lives better in England. The survey is open until Friday 15th December.

Although the survey is not specifically aimed at children with SEND, it does include an option to indicate if you have special educational needs. It is very quick to complete, the questions are 'tick box' and pretty straightforward. The link is [here](#).

Catering - All our catering staff at Bidwell Brook and Ellen Tinkham are now employed by South West Norse. Each Site Catering Manager is currently reviewing the new South West Norse menu which will come into effect after the October half term and will run until the Spring 2024. We will circulate the new menus to you once confirmed. A copy will also be put on our website.

Road Closure - Thankfully, this shouldn't affect many of you, but the A384 (the main road near Bidwell Brook School) will be temporarily shut this week between the hours of 7 pm and 7 am. The road is closed from the Bidwell Brook roundabout to the new housing estate (Broom Park) but the diversion is around Marley Head at South Brent on the A38.

Careers Events - Devon County Council (in partnership with others) is putting on two identical events promoting routes into employment for young people with SEND. The emphasis will be on supported internships and supported employment.

Aspirations for Employment: exploring options

<p>Tuesday 21 November 2023 10am - 2pm Grosvenor Church Old Station Road, Barnstaple EX32 8PB</p> <p>Sign up: https://www.eventbrite.co.uk/e/687904820837?aff=oddtcreator</p>	<p>Thursday 29 February 2024 10am - 2pm The Courtenay Centre Kingsteignton Road, Newton Abbot TQ12 2QA</p> <p>Sign up: https://www.eventbrite.co.uk/e/687943667027?aff=oddtcreator</p>
---	--

These events are mainly aimed at parent carers and young people (Year 10/Year 11 upwards). You can book your place using these Eventbrite links:

Book [Barnstaple](#).

Book [Newton Abbot](#).

Email Alison Newcombe for more [info](#).

Swimwear - Attached is a leaflet and brochure from Incy Wincy who sell swimwear suitable for our pupils.

Educational Psychology (EP) Service - We have been advised that the EP service will gradually return to early intervention work with schools and settings from January 2024.

Due to the continued high demand for EP advice as part of education, health and care needs assessments (EHCNAs), this support will initially be offered to schools with the highest inclusion need.

For full details, you can read their update here: [Educational Psychology website](#).

Intercom Trust - The Trust are taking referrals for their new project – Family Pride South West.

The project has 4 components;

Family Pride Events – fun family events for families where at least one member is LGBT+;

Parenting Support – they will be delivering Group Triple P for LGBT+ parents/carers with children between the ages of 2 and 12;

Family Relationship Support – their family practitioners can work with families where there is tension or communication problems between parents (together or apart). This can include disagreements on how best to support an LGBT+ child in the family;

Couples/co-parent counselling – Counselling is available for parents who wish to work through difficulties in a therapeutic setting.

Rags2Riches - We have booked in another Bag Collection to raise much needed funds for the school. Bags will be sent home to you w/c 16th October so if you are planning a tidy of wardrobes and cupboards over the half term holiday, please consider sending your clothing and accessories into school. Our collection date is **Wednesday 8th November**. Please see the flyer below on what can be collected. It would be great if you could keep your bags at home and send them into school from Monday 6th November otherwise we'll be struggling to store it all! Thanks very much!

Please help us by donating your unwanted reusable clothes and accessories.
Donated items become affordable clothing and accessories.

**WE ACCEPT CLEAN,
GOOD QUALITY, DRY,
REUSABLE CLOTHING**

Size Guide at the back of the Catalogue

Kes-vir™ Boy's Swim Wrap Shorts

Your child will be able to have fun in his swimming sessions without worry, improving his quality of life and health. The shorts are discreet and stylish, no one will know they have swim briefs underneath. There are two: Eco-swim shorts and Original fabric wrap swim shorts - designed for boys with weak muscle tone and restricted limb movement. The shorts make changing easy as they open up flat. They can be laid on the bed first then the wearer over them. Suitable on a beach holiday or just swimming at a local pool, you can be confident that there will be no issue of leakage.

- Two in one swimwear – Outer shell as regular swimwear that opens flat with waterproof built-in swim nappy.
- Outer shell with specially designed slide-on nylon poppers and shock cord loop and button fastening. Easy when changing on a changing bed.
- Inner liner has wider hook-and-loop fastening and tie string for extra security.
- Both waist and leg are adjustable.
- Designed for Bowel incontinence
- Chlorine resistant and UPF 50+ and No pilling fabric
- Machine washable and quick drying

Payment

Cheque to be made payable to: **Incy Wincy Ltd.**

Send to: Incy Wincy Ltd, 9 Trafford Road, READING, RG1 8JP, England, UK.

Refunds

Refunds will only be given on goods returned within 14 days of delivery, provided the product and its packaging are in a good resaleable condition. Replacement of any destroyed or unusable product packaging is chargeable at £1.50 per item. Goods found to be defective in respect of material or workmanship will be replaced. Postage and Packaging is not refundable.

Despatch

We use Royal Mail's 'Signed For' service or courier. UK delivery can take up to 3-5 days and overseas delivery can take longer – subject to availability of stock. For orders paid by cheque, please allow at least 14 days for delivery.

Exchange or Returns

Please complete the form on the reverse side of the invoice or delivery note and return with the products. Please re-order item/s you require in exchange – online or by post or by calling us.

UK and Overseas customer returns

Customers are responsible for the return postage.

Non-Refundable Returns

- Items returned after 14 days of purchase WILL NOT be refunded or exchanged
- Items that have been immersed in water, soiled, marked or worn WILL NOT be refunded or exchanged.
- Items whereby the labels have been taken off and packaging damaged or destroyed WILL NOT be refunded or exchanged as this renders items non-resalable.
- Disposable products

Holidays

We are closed during UK Bank Holidays. Please refer to our website for precise dates.

Measuring the Upper Leg

Take the measurement of the upper leg (the girth of the leg), diagonally and towards the crease of the leg

Note: To obtain a good fit, please take measurements on the skin and not over any clothing.

What Parents & Carers Need to Know about AI VIRTUAL FRIENDS

Artificial intelligence – particularly in terms of how it generates natural language – has seen significant development over the last six months, with companies releasing new AI-based software or adding an AI element to existing apps (such as Snapchat, for example). One form of AI to become especially popular has been the ‘AI friend’ or chatbot, as children eagerly experiment with these new-found computer-generated companions. There are now numerous apps available with this ‘virtual friend’ functionality, with the likelihood of it being added to other successful platforms soon.

WHAT ARE THE RISKS?

CONTENT AND ACCOUNTABILITY

AI chatbots may not always be able to recognise when content is age inappropriate or harmful and should be filtered out. So there's a possibility that children could be exposed to offensive language or explicit material while conversing with their virtual friend. The companies producing such AI solutions are also unlikely to take responsibility for any content that their algorithms generate.

D@*#!

REDUCED SOCIAL CONTACT

An excessive reliance on chatbots for social interaction could potentially cause a child to begin reducing the amount of face-to-face communication they have, leading to social isolation. If young people become dependent on chatbots to provide companionship, it could very likely hinder the development of their real-life social skills.

LACK OF SENSITIVITY

Chatbot software isn't always sophisticated enough to pick up on subtle emotional cues or recognise signs of distress in children, as most humans would. It might therefore fail to respond appropriately. AI misinterpreting what it's being told or replying insensitively to a young user who's already struggling could potentially impact a child's emotional wellbeing or exacerbate any existing emotional issues.

UNINTENTIONAL BIAS

AI companions are only as reliable as the information they've been programmed with. The algorithms they use, therefore, may unintentionally promote bias, stereotypes or discriminatory behaviour (as many originate from the USA or the UK, for instance, they can display a distinctly western-centric worldview). This could lead to children developing skewed attitudes and behaviours.

COGNITIVE LIMITATIONS

Although many are now undeniably advanced, AI-powered chatbots still have limitations in terms of understanding complex concepts, context and nuance. Depending heavily on chatbots to help with learning or solving problems may stunt the development of a child's own powers of critical thinking, creativity and ability to engage in open-ended discussions with other people.

PRIVACY CONCERNS

Chatbots typically collect data about users, including personal information and conversations. This is ostensibly to improve their performance as they gradually learn about our behaviour – but many experts are warning that there may be significant risks associated with how this information is stored and used (the possibility of potential breaches or misuse by third parties, for instance).

Advice for Parents & Carers

CHAT ABOUT CHATBOTS

If your child is already expressing an interest in AI apps, a relaxed, natural chat should help you to discover which ones they're aware of and how they're using them (or are planning to). Discuss these options with your child and perhaps do your own research to ensure you think they're suitable. Once you're totally happy, you could sit with your young one and begin exploring AI chatbots together.

CREATE A SAFE ENVIRONMENT

If your child is keen to engage with AI chatbots, encourage them to do so in a safe environment: ideally in a shared space at home, so you can easily keep an eye and ear on their progress. Set up appropriate content filtering measures in advance – and gently remind them that you'll be close by and ready to help with any questions or concerns that may arise.

FIND A BALANCE

Work alongside your child to establish the right balance in terms of how they might use AI-powered chatbots – and when it's appropriate. It's important to make sure that children are still getting plenty of opportunities to learn to solve problems for themselves, as well as building their interpersonal skills through face-to-face conversations with friends, family members and teachers.

TAKE CONTROL

As with any form of app or game, when it comes to AI chatbots we'd strongly recommend that you consider employing parental controls (either on the device being used or within the software itself) to manage which apps your child can download and use. This is particularly important for younger children, who may be more at risk of being upset or frightened by inappropriate content.

RECOGNISE THE RISKS

It's unlikely that most children will have even considered the potential risks attached to having a virtual companion. So it's probably wise to explain some of the possible hazards and challenges of AI chatbots to your child. In particular, emphasise that AI isn't a real person (however much it might sound like one) and may occasionally tell them something that isn't entirely impartial or accurate.

Meet Our Expert

A Certified Information Systems Security Professional (CISSP), Gary Henderson is the Director of IT at a large boarding school in the UK, having previously taught in schools and colleges in Britain and the Middle East. With a particular interest in digital citizenship and cyber security, he believes it is essential that we become more aware of the risks around technology, as well as the benefits.

September 2023

Dear Parents/Carers,

SATURDAY CLUB

I am really pleased to let you know that we have agreed two dates as a trial for the Saturday Club this year. The dates are 11th November and 2nd December.

Each session will run from 10am until 4pm and parents will need to drop off and collect their child from School. You will need to provide your child with a packed lunch on the day.

The programme of events will be similar to before with outings, sports activities and workshops to include drama, music, art and craft. It is our aim to offer at least one Saturday to each child but places are limited, so please indicate your preferences as soon as possible. The more days you tick, the easier it will be to allocate places. Applications received after the closing date will only be considered if there are unallocated places.

We endeavour to make our sessions as affordable as possible and fees will be reviewed in January 2024. Fees for the Saturday Club for the remainder of this year are £55 per individual. The cost of a session remains the same regardless of an individual's level of need.

Please email your preferred dates to admin@hollowlane.org.uk by **FRIDAY, 6TH OCTOBER**.

Thank you.

DEB WARD – ADMINISTRATOR

Please email your preferred dates to admin@hollowlane.org.uk by Friday, 6th October

I would like my child to attend the Saturday Club. Please tick your preferred dates.

Child's Name:

☐

11th November

☐

2nd December

The **RAINCOAT** study:

EVERYDAY WALKING IN CROUCH GAIT in children with cerebral palsy

Would you like to take part in a research study?

My name is Harriet Hughes, and I am researching Crouch gait. This is one of the most common walking patterns affecting children and young people with Cerebral Palsy. It is characterized by excessive knee bend which can lead to pain and problems walking.

What do we want to find out?

We want to find out how knee muscle strength and selective motor control (the ability to move joints independently of one another), impact on crouch gait during everyday walking activities such as slopes, steps, and kerbs and compare this to children who do not have Cerebral Palsy. It is hoped that this will enable the development of new treatment approaches for children and young people with crouch gait and Cerebral Palsy.

Who can take part?

We are inviting children and young people aged 6-18 years both with and without Cerebral Palsy to take part, who can walk with or without a walking frame

Where and when?

At the University of Plymouth, Human and Movement function lab from 2nd October 2023 to 31st March 2024

What's involved?

A one-off appointment lasting approximately 90 minutes. During this appointment we will measure knee muscle strength, selective motor control and how they walk on slopes, steps and over level ground

Scan QR code for more study information

If you would like to find out more or if you are interested in taking part then please contact me via email, whatsapp, text or phone:
